REVIEW OF THE IMPLEMENTATION OF THE DECLARATION ON THE STRENGTHENING OF INTERNATIONAL SECURITY

Letter dated 6 May 1992 from the Permanent Representative of Hungary to the United Nations addressed to the Secretary-General

In connection with the "Declaration of the representatives of the people of the Republic of Serbia and the Republic of Montenegro" of 27 April 1992, Hungary is of the view that such a unilateral statement does not create a legal basis for a decision on the continuity of the membership of the defunct Socialist Federal Republic of Yugoslavia in international organizations. In its opinion, the settlement of the question of continuity should be based upon the agreement of all successor States of the former Socialist Federal Republic of Yugoslavia and only such an agreement can form the basis for any decisions to be taken on the question of representation of the Federal Republic of Yugoslavia in international fora, including the United Nations. Accordingly, Hungary believes that any procedural arrangements that the United Nations may follow in this regard in the interim should in no way prejudice its position on the question of the status of the Federal Republic of Yugoslavia at the United Nations.

I should be grateful if you would arrange for the present letter to be circulated as a document of the General Assembly under agenda item 68.
